JAMAICA

Jamaica is a New World island. The country side meets the challenge of new discoveries at every glance. Crystal springs trickle into foaming waterfalls, wide rivers. Blue mountains drifting with cool mists. And really rare people. Warmly lovely people who are truly the heart of Jamaica. Resorts? Your choice, and the selection is superb. Sophisticated fun from dawn 'til dusk, all done to a Calypso beat. And there's sailing and snorkeling. Deep-sea fishing. Beachcombing. Golf and tennis. Picnic at Dunn's Rivr Falls and frolic in the water tumbling over limestone boulders. Explore the Green Grotto Caves at Runaway Bay and boat on a subterranean lake.
